

Woking Tigers Safeguarding Policy

POLICY STATEMENT

This Policy applies to all working on behalf of Woking Tigers, including Senior Managers and the Board of Trustees, paid staff, volunteers, sessional workers, agency staff and students. Its purpose is to protect and enhance the safety and well-being of all children and young people by actively promoting awareness, good practise and sound procedures.

We believe the safety and well-being of children and young people is of the utmost importance and that they have a fundamental and equal right to be protected from harm regardless of age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation. We fully recognise our statutory responsibility for Safeguarding: the safety, protection and well-being of all children and young people that Woking Tigers supports and interacts with, is paramount and has priority over all other interests. This includes responding immediately and appropriately if there is a suspicion that any young person under the age of 18 years old may be a victim of bullying, harassment, abuse (including physical, sexual, emotional) or neglect.

'Young Person' means those under 18 years old including all of those up to their 18th birthday - as designated a 'child' within the terms of the Children's Act 1989.

Woking Tigers encourages a culture of listening to and engaging in dialogue, with children seeking their views in ways that are appropriate to their age, culture and understanding.

The details laid out in this policy are in accordance with the Children's Act 1989, Children's Act 2004 and the Working Together to Safeguard Children Act 2018. This policy has been drawn up on the basis of legislation, policy and guidance that seeks to protect children in England. In England, the Department for Education (DfE) provides the key statutory guidance for anyone working with children and young people: [Working together to safeguard children \(PDF\)](#) (DfE, 2018). All procedures and policies pertaining to Safeguarding should be regularly reviewed and updated on an annual basis.

This policy was last reviewed on:

Definitions of Harm

For the purpose of this policy, Woking Tigers has defined harm as:

- Abandonment - leaving a child alone and unattended in circumstances that are inappropriate for their age and/or level of ability.

- Emotional abuse – persistent, emotional ill treatment that has a severe adverse effect on the emotional development of children and young people. It may involve conveying to them that they are not wanted, not loved or worthless. It may involve inappropriate expectations (such as taking on the responsibility of an adult within the family) being placed on the young person leaving them frightened and unable to cope. It may also involve the threatening, exploitation or corruption of children and young people.
- Neglect - the persistent failure to meet the basic physical and physiological needs of the young person that results in serious impairment of their health and development, including the failure to provide adequate food, clothing, shelter and failure to respond to basic emotional needs, such as being cared for when sick.
- Physical abuse – hitting, kicking, shaking, slapping, and throwing, scalding, burning, poisoning, drowning, suffocating, or other action intended to cause physical harm or ill health to the child or young person. Physical harm may also be caused when a parent or carer covers up the symptoms of, or deliberately causes ill health to a child or young person within their care.
- Racial abuse – any type of verbal or physical abuse that is directed at an individual or group because of their racial or ethnic background.
- Witnessing ill treatment, including domestic abuse of another person- this may impact the health or development of a child or young person.
- Sexual abuse or sexual exploitation - forcing or enticing a child or young person to participate in sexual activities, whether or not the child or young person is aware or has knowledge of what is happening. It includes child prostitution, encouraging children or young people to watch or participate in the production of pornographic material, on line grooming, encouraging children and young people to behave in sexual inappropriate ways. Sexual acts include penetrative (rape or buggery) and non-penetrative acts such as touching or stroking.

The Sexual Offences Act 2003 defines ‘consent’ as *‘if he agrees by choice and has the capacity to make that choice’*. The Act, removes the element of consent for many sexual offences for:

- Children / young people under 16 (including under 13).
- Children / young people under 18 having sexual relations with a person of trust. (for example: teachers, youth workers, foster carers, police officers).
- Children / young people under 18 involved with family members over 18.
- Persons with a mental disorder impeding choice or who are induced, threatened or deceived.
- Persons with a mental disorder who have sexual relations with care workers.

In relation to young people under the age of 13, consent is irrelevant. The law says ‘a child under the age of 13 does not, under any circumstances, have the legal capacity to consent to any form of sexual activity’.

The Police must be informed immediately of any sexual activity involving a child under 13 years of age.

General Safeguarding Advice

- Remember not to be a young people’s friend, always maintain a professional manner when working with them.
- Never accept a young person as a friend on any social networking site that you may use.
- Always keep a record of any text or email exchanges with a young person.
- Always be aware that your comments or actions may be perceived differently than intended, so be sensitive to the situation.
- Never meet a young person alone, this is for the safety and well-being of the young person but also yourself.
- Try not to be on your own with a young person, use public spaces for one-to-one meetings if you are not meeting in the Woking Tigers office or premises.
- Avoid detailed discussions about your personal experiences e.g. drugs, alcohol, sex.
- Never speak to the press without permission from Woking Tigers.

REPORTING PROCEDURES

In all cases it is vital to take every action which is needed to safeguard the child, children and young person(s). *Immediate* action may be necessary;

- If emergency medical attention is required, phone the emergency services or take the child/young person to the nearest Accident and Emergency department.
- If the child or young person is in immediate danger the police should be contacted by calling 999.
- Any suspicion, allegation or disclosure of abuse or harm must be reported immediately or as soon as practicably possible on the day of the occurrence to your Line Manager / Safeguarding Lead.
- Disclosure or evidence for concern may occur in a number of ways including a comment made by a child, physical evidence such as bruising, a change in behaviour or inappropriate behaviour or knowledge.
- The Line Manager / Safeguarding Lead must record the concern, with the staff member or volunteer using the appropriate Reporting Form. The Line Manager is responsible for informing the Safeguarding Manager or in their absence the CEO/person who has overall responsibility for safeguarding, immediately and that a copy of the Incident Report is immediately given to the Safeguarding Manager / CEO. This form must be kept strictly confidential and stored securely.
- It is the responsibility of the Safeguarding Manager or in their absence the CEO/person who has overall responsibility for safeguarding to deal with safeguarding matters. If further referral is necessary, it will either be through Surrey Safeguarding Children Partnership or the Police.

The Safeguarding Manager, CEO or Chairperson of Trustees will be responsible for informing the employee who reported the disclosure of any action taken and any outcome where appropriate.

It is also the responsibility of the Safeguarding Manager, CEO or Chairperson of Trustees to ensure any partner agencies involved with the young person are made aware of the disclosure and the action taken where relevant and where information sharing guidance permits this.

It is important to remember that often only when information held by a number of workers is put together, that a picture of child abuse emerges. All staff & volunteers must adhere to the information sharing protocol published by HM Government, adopted by the Children's Trust and endorsed by SSCP. Details can be found here; [Information sharing: advice for practitioners \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/424243/information-sharing-advice-for-practitioners.pdf). In addition to this, whilst respecting cultural differences, the basic requirements for children is that they are kept safe across social, ethnic and cultural boundaries.

Escalation Policy

At all times the Safeguarding Partners will try to have in place arrangements which make clear how children, young people and families should be able to swiftly access support through any of the recognised safeguarding agencies and other partners. This enables multi-agency practitioners to exercise their professional judgement and provide the best possible service in a timely and safe way. However, the Partners recognise the complexity of need and range of intervention/support and quite legitimately practitioners may exercise their professional judgement differently.

The aim of the SSCP escalation policy is to create a transparent process to set out how disagreements should be dealt with between partner agencies with regards to professional practice in relation to a child, young person or their family. Disagreements should be resolved through child centred discussion between agencies. This escalation policy outlines the process to be followed when professionals are unable to agree about what is in the best interests of the child. The detailed policy can be accessed here: [SSCP-Escalation-Procedure-Final-1.pdf \(surreyscp.org.uk\)](https://www.surreyscp.org.uk/wp-content/uploads/2018/03/SSCP-Escalation-Procedure-Final-1.pdf)

- Any decision not to tell the parents must be discussed with the Safeguarding Lead / Line Manager unless the child or young person is in immediate danger.

Parent/Carers

- Where sexual abuse or exploitation is suspected.
- Where organised or multiple abuse is suspected.
- Where fabricated or induced illness is suspected.
- Where female genital mutilation is a concern.

ALLEGATIONS MADE AGAINST STAFF AND VOLUNTEERS

When any form of complaint is made against an employee or volunteer, it must be taken seriously. The complaint should initially be dealt with by the most senior staff member on site at the time the complaint is made. If the complaint is against the most senior member of staff on site, then the Safeguarding Manager, CEO or Chair of Trustees must be informed.

The senior staff member must report the complaint immediately to the Safeguarding Manager giving details of the circumstances. The Safeguarding Manager or CEO may contact the Local Authority Designated Officer. Further information can be found here: [3.2 Managing allegations against people that work or volunteer with children | Surrey Safeguarding Children Partnership \(procedures.org.uk\)](#). They will attend the site of the allegation to gain an initial account of what has occurred from all relevant parties, including the person against whom the allegation has been made. If this is not possible, contact will be made by telephone. Woking Tigers, will have the right to suspend from duty and/or the premises, any person who is a party to the allegation until a full investigation has been made.

This action does not imply in any way that the person suspended is responsible or is to blame for any action leading up to the complaint. The purpose of any such suspension is to enable a full and proper investigation to be carried out in a professional manner.

It is the responsibility of the Safeguarding Manager, CEO or the Chairperson of Trustees to make the decision as to whether to inform Social Services and/or the Police Child Protection Unit, depending on the nature of the allegation. In matters of allegations against staff or volunteers working in child protection, information must be provided to the local designated officer.

CONFIDENTIALITY AND WHISTLE BLOWING

- Woking Tigers operates a confidentiality policy. However, under no circumstances will information be kept confidential that raises concern about the safety and welfare of a child or young person.
- Any staff or volunteers with concerns about anybody providing services to children and young people should report this to their Line Manager, Safeguarding Manager, CEO or Trustee Board Member as appropriate. They will be fully supported throughout the process.
- All staff must be aware that they have a professional responsibility to share information with other agencies in order to safeguard children and young people in accordance with the Information Sharing Policy published by HM Government, adopted by the Children's Trust and endorsed by SSCP. The Data Protection Act 1998 and General Data Protection Regulations are not a barrier to sharing information where a failure to do so would place a child at risk of harm.
- All staff must be aware that they cannot promise a child that they will keep secrets / not disclose potentially harmful information.

SAFER RECRUITMENT POLICY STATEMENT

Woking Tigers will apply the Working Together to Safeguard Children 2018 and SSCP Guidelines using the framework for safer recruitment and employment practice.

This will apply to all staff and volunteers undertaking activities with children and young people including teaching, training or instruction, care or supervision, providing guidance or treatment, fostering and childcare. It could also include specific positions such as school governor, Director of children's social services, and any work carried out in a limited range of specific settings such as schools where children should always be able to build relationships of trust with the people working with them.

The purpose of safer recruitment is to ensure:

1. Applicants who may wish to harm adults at risk, children or young people are deterred from applying for jobs or volunteering opportunities .
2. Any unsuitable applicants are rejected by scrutinising applications and exploring potential areas for concern at interview.
3. Unsuitable appointments are not made by having at least one member of the interview panel trained in safer recruitment; carrying out all relevant pre-employment checks and ensuring all new staff and volunteers are given an appropriate induction.
4. To identify and manage any identified risks.
5. Maintain a safe and vigilant culture.

Multi-agency training on safer recruitment is available through the Surrey Children's Services Academy: [Surrey Children's Services Academy \(SCSA\) - Surrey County Council \(surreycc.gov.uk\)](https://www.surreycc.gov.uk/childrens-services-academy)

Disclosure and Barring Service (DBS) Checks

All new staff and volunteers are to have a DBS check before commencing employment. Any failure to disclose convictions may result in disciplinary action or dismissal. Any positive disclosures will be discussed with the Safeguarding Manager, CEO and/or Trustees. All this information will be kept on the personnel file. The DBS number and date of processing will be held on a secure database.

A risk assessment will be completed if there is a positive DBS check sent back.
